needed to cover the same area with lath. It comes in sheets 32x36 inches, is nailed direct to the studs and forms a hard, smooth surface, to which the plaster adheres perfectly.

SACKETT PLASTER BOARD FEATURES

- SAVES ONE-THIRD ON FUEL
- MAKES YOUR BUILDING FIREPROOF
- WILL NOT WARP OR BUCKLE
- BETTER THAN WOOD OR METAL LATH
- CHEAPER THAN LUMBER FOR SHEATHING

There is some place in every building where Sackett Plaster Board is absolutely essential. If you will call or write, we will tell you how, where and why.

A RED HOT GAME. In a red hot game of ten innings the Junior Team of Yale defeated the strong Tiger team of Port Huron, on Monday afternoon, September 2nd, by a score of 2 to 1. The game was played at Riverside Park and was one of the most exciting ever witnessed on that diamond. All present say that the game would have done credit to veterans of baseball. Only two errors were made by the Yale team. The pitching of "Dutch" Shaver for Yale and Eddie Davis for Port Huron was a revelation to older heads. Hits were infrequent and every ball was handled in fine shape.

A return game is scheduled for Saturday of next week at Port Huron. Yale lined up as follows:

Catcher—Lloyd Allen.

Pitcher—Vernon Shaver.

1st Base—Lloyd Spontenburg.

2nd Base—Earl Beatty.

3rd Base—Rensley Holden.

Shortstop—Ira Goheen.

Left Field—Earl Burt.

Center Field—Christie Halstead.

Right Field—Perry Halstead.
